This immaculate home is located in the famed community of Chatham Glen. This Realstar Homes built "Magnolia" plan is everything on the wish list and more!! Situated on a corner lot in a cul-de-sac with a fenced-in backyard, sits this truly stunning and well-maintained home. In the Spring, the back looks like an English Garden with an extensive array of beautiful flowers and shrubbery. This one-level home has an open concept floorplan with tall ceilings making it feel so light and bright. The home also offers LVP floors throughout, so no carpeting! The gourmet kitchen features many upgrades including Granite Countertops, large and deep kitchen sink, brand new Thermador dishwasher, new LG slide in range, new LG microwave, undercabinet lighting and water filtration system at the sink. Other nice added features include new light fixtures, storm door, irrigation system, blinds, freshly painted interior and so much more. This home is loaded with storage including HUGE closets with additional shelving added. The 2-car garage has been painted inside and has both a sink and a utility door for convenience. Master Suite is very large and can accommodate many furniture combinations. The washer, dryer and the refrigerator are all included, which is something that new construction homes do not offer—so this almost new home is ready to move right into! Chatham Glen is one of the most desirable communities in the area with
